

## MINI Portable Camera B40-Andriod

### Product introduction

B40 is a super mini control ball, which has a volume reduction of about 80% compared to similar products in the market. It can be held in a single hand, with a weight reduction of about 40%. The base diameter is 105mm, the height is 180mm, and the body is only 0.75kg, making it more convenient to carry and install. It is equipped with a high-performance 360 ° pan tilt, supports 4x optical zoom, eight core processors, greatly improving the intelligence level of the device and enriching application scenarios.

### Functions

- 4x optical zoom
- Ultra small body design, 950g ultra light weight
- Support for IR-CUT infrared conversion
- GPS/Beidou dual mode positioning function
- The body is equipped with an OLED screen for real-time display of working status
- Supports two way communications

### Picture

Andriod system

Support 28181  
ONVIF protocol

950g

Continuous 6  
hours working

## Parameters :

Model	B40	
Screen	Screen	1inch: display battery, PTZ, signal, WIFI status
Basic information	System	Android 11.0
	Sensor	1/2.8" F23 CMOS
	Minimum illumination	color 0.05Lux@F1.2 Black and white 0.01Lux@F1.2
	IR CUT	Auto
	Focal length	4.5~94.0mm
	Optical zoom	4 times
	Resolution	1920*1080P/720P 30fps
	White balance	Auto
	Exposure compensation	EV-3.0~EV+3.0
	Horizontal rotation angle	350°, speed 0.05° ~ 100°/s
	Vertical rotation angle	-20° ~ +90°, speed 0.05° ~ 100°/s
	Preset position	255, 4 cruise scans
	Sim	Dual sim
	Storage	256G
	Internal memory	DDR: 2GB, EMMC: 16GB
	Internet	TDD-LTE Band 38/39/40/41 FDD-LTE Band 1/3/5/8 WCDMA Band 1/8 GSM Band 8
	Bluetooth	BT2.1+EDR/BT4.2
	WIFI	2.4GHz 802.11.b/g/n
	Video	MP4/MKV H.264/H.265
	Audio	MIC 2W speaker
	Audio format	AAC/G711
	protocol	GB28181, ONVIF etc
	GPS	GPS/BEIDOU
GEO-fence	Support alarm for prohibiting entry and exit	
Language	Multiple	
Waterproof	IP66	
USB	USB2.0 (TP-C)	
	B/S、C/S、android APP	support
Working environments	Work temperature	-25°C~70°C
	Work humidity	< 90%
Battery	Battery	3000mAh 12V
	Charging time	3 hours
	Working time	> 6hours
Others	Weight	950g
	Size	diameter 105mm; height: 180 mm
	packing	Waterproof and shockproof emergency box
	accessories	Power adapter * 1, data cable * 1, anti shake bracket * 1, fixed iron plate * 1, certificate of conformity/warranty card * 1
